

Health insurance is one of our brokers who put the member's best interest at the forefront of everything we do.

At Ambetter, we're committed to providing our members with the best health insurance plans, including comprehensive medical, dental, vision, and prescription drug coverage. We also offer flexible spending accounts (FSAs) and health savings accounts (HSAs) to help members manage their healthcare costs. Our brokers are trained to help members understand their options and make the best choice for their needs. We also provide 24/7 customer support and assistance with enrollment, claims, and access to in-network providers.

Here are some examples of the deceptive advertisements we are aware of:

• Online ads placed by a lead generation company asking the member to check a box and provide personal information to enroll into the best no-cost plan, with no cover over specified dates.

All other members of Ambetter have access to the same plan options. We do not have a no-cost plan. We do not have a plan that requires a box to be checked to enroll. We do not have a plan that requires a box to be checked to enroll into the best no-cost plan. We do not have a plan that requires a box to be checked to enroll into the best no-cost plan.

Insurance with the Ambetter logo is not a health insurance plan.
